

Appendix II: Preliminary Questionnaire Results

Note: Data suggestions that were indicated as available by at least one participant are in bold. Suggestions are listed in alphabetical order, starting with those indicated as available.

Dashboard Concept	Usefulness Score	Mentions	Data Suggestions
Academic Impact	8.43	3	Affiliate or Location; Publication
		2	Citation count, Research topic
		1	Date; Object category; Provenance; Style; Approved download count; Download count; Download request count; Length of time; Preparation type; Search count; View count
Broader Impact	8.38	2	Exhibit Loans; Exhibits used
		1	Artist name; Cultural affiliation; Date; Images; Object category; Object name; Period; Provenance; Public program loans; Style; Affiliate location; Age range of students; Approved download count; Availability; Citation count; Citation for public policy; Download request count; Loans for classes; New or returning user; Program used; Purpose; Search count; Topics; Tours; Type of education activity; Use for educational activities; View count; Visit duration; Visitor count
Collection Scope	8.75	4	Date; Geography or Locality; Taxonomy
		3	Collector
		2	Count; Geologic age; Habitat or ecologic zone; Loans, Publications, Citations
		1	Catalog number; Collection category; Cultural affiliation; Description; Field numbers; Institution code; Latitude and longitude; Preparation type; Provenance; Type status; Image
Integrated Pest Management	6.88	4	Location
		3	Treatment applied
		2	Pest count; Pest type; Relative humidity; Temperature; Date; Date trap inspected
		1	Inspection Frequency; Life cycle stage; Monitor Number; Outdoor relative humidity; Outdoor temperature; Affected Area; Catalog number; Clean or dirty area; Damage type; Date trap set; Description; Follow-up action; Living or dead; Treatment needed

Project Management	7.63	3	Estimated hours
		2	Project name; Staff; Benchmarks or milestones; Task
		1	Assignee; Begin date; Due Date; Notes; Percent project complete; Date; Motivational badges; Number of specimens databased; Number of specimens georeferenced; Number of specimens imaged; Preparation status; Report date; Staff notified; Status; Suggestions for improvement
Teaching Collection	7.14	3	Event or program
		2	Object locality; Taxonomy; Age of participants; Date of use
		1	Artist; Borrower; Borrower affiliation; Condition; Count; Cultural affiliation; Curriculum; Date of object; Description; ID number; Image; Object category; Period; Preparation type; Provenience; Borrow purpose; Classes used in; Donation parameters; Event type Handling parameters; Relevant stories; Storage location
